REGISTER OF ANCESTORS

It is of course almost impossible in a work of this kind to avoid some inaccuracies, and if such are found the Registrar would beg the clemency of the Society. Every effort has been made to avoid such faults, and it is with hope that it may be found acceptable that the Registrar presents the register of names and ancestors of the Colonial Dames of Virginia.

REGISTER OF ANCESTORS

Since the publication of the last register of members the eligibility list of our Society has been altered and amended. This has caused several names on which members have entered, to become ineligible for further use. Such names on the list which follow this, are marked with a star.*
